GRANT OVERVIEW

2022 Grant Recipients have 14 months from initial fund allocation to complete their project and submit a Final Report with receipts. 2022 Grant Recipients have until November 30, 2023.

Please contact the Program Manager if you are considering:

- an extension in time beyond the initial 14 months
- not completing your project and returning funding
- possible reallocation of funding

Please also keep the Program Manager up to date with changes in mailing address; email address, or banking institution/account (from your original Direct Deposit Authorization).

To be considered for future grants, you **MUST**:

- complete your project
- submit your Final Report with receipts
- receive final approval for balance of grant

FINAL FUNDING

Your Final Report **MUST INCLUDE ALL RECEIPTS** associated with expenses funded by your grant.

Please email your receipts with your Final Report as a PDF document to the Program Manager when complete. Do not send a Word document or link to a Google folder.

Remaining grant funding of 10% will be electronically transferred to your bank account on file after submission and review of your Final Report and Receipts. If you do not receive funding in 7 business days, please contact the Program Manager.

FINAL REPORT REFLECTION QUESTIONS

The mission of the Alexa Rose Foundation is to provide Treasure Valley individual artists access to catalyst experiences and tools to develop further as artists and as community members. As a recipient of an Alexa Rose Foundation grant, we would like to hear how your grant contributed to your own creative development.

Please give us a narrative of your journey. Tip! Refer to your grant proposal to answer the following questions.

Were you able to achieve what you originally envisioned?

Did the focus of the project evolve from your original proposal?

Did you experience any challenges in your process?

How did your project contribute to the development of your creative practice and life as an artist?

Did you discover anything new about yourself and/or your art form?

Finally, please share any materials produced that you feel reflect the experience this grant enabled. Materials should be submitted electronically.
