### Who are you as an artist? ARTISTIC VOICE

**300 Words, 4 points**

*Alexa Rose wants to support artists who have something to say and are saying it in a compelling and thought-provoking manner. This should be reflected in your work samples, as well as HOW you describe your intention behind your work. Why do you make art? What is this art saying to the world around you?*

### Impact Statement CREATIVE IMPACT

**300 Words, 6 points**

*This is the core of what Alexa Rose is about. While strong work samples are important, we are most interested in the creative impact of a potential grant given. Think of this in terms of GROWTH, CHALLENGE, and LONG-TERM PAYOFF. How would you grow, explore, or discover by receiving funding? How will this opportunity push, challenge, or advance your artistic career? This should be linked to the SPECIFICITY of your request. For example, if you wanted to travel to attend a workshop, why this workshop? Why this location?*

### QUALITY OF WORK

**3 points**

*Your work samples should demonstrate your level of craftsmanship, technique and/or potential. Do your work samples demonstrate a strong understanding of, or skill within, your medium? Do your work samples demonstrate average to above-average talent, technical skill, or potential? Do your work samples demonstrate a professional, high-caliber skillset?*
